Recommended Amplification		Up to 100 watts RMS. per channel	Up to 100 watts RMS. per channel

• Design and specifications are subject to change without notice.

[Warning]

- RMS Power / Peak power specified on this product is the value in 3way (HDZ-653S) / 2way (HDZ-65CS) system connected to passive network included in this package.
Using each speaker connected directly to amplifier without using designated network will void your warranty.
- This product contains a high-performance tweeter.
If there is a tweeter already installed in your car, you must disconnect its terminal.
If you leave the original tweeter connected and connect this product in parallel, fault may occur in this product.

[Avertissement]

- La puissance RMS / puissance de crête spécifiée sur ce produit est la valeur dans le système à 3 voies (HDZ-653S) / 2 voies (HDZ-65CS) connecté au filtre passif inclus dans ce paquet.
L'utilisation de chaque enceinte connectée directement à l'amplificateur sans utiliser le filtre désigné annulera votre garantie.
- Ce produit contient un tweeter haute-performance.
Si un tweeter est déjà installé dans votre voiture, vous devez déconnecter sa borne.
Si vous laissez le tweeter original connecté et que vous connectez ce produit en parallèle, un dysfonctionnement peut se produire sur ce produit.
